INTERNATIONAL BACCALAUREATE CREDIT

In keeping with our Jesuit tradition, The University of Scranton rewards qualified students who have demonstrated a commitment to academic excellence. We understand the effort required of high school students to successfully complete International Baccalaureate (IB) courses.

Students interested in gaining University of Scranton academic credit for IB courses should reference this sheet for specific course credit information.

The University grants academic credit for only higher level (HL) exams with a grade of five (5) or better. Official exam scores must be sent directly to the University Admissions Office in order for credit to be awarded. Official score reports may be obtained by accessing: ibo.org.

Although credit may be earned through approved/accredited articulation agreements, college credit, Advanced Placement (AP) or transfer courses, please keep in mind that credits for a specific course may be granted only once.

</table>

### FOOTNOTES

1. Credit may only be granted through HL tests. No SL tests will be accepted.
2. Final determination will be based on placement test results and/or department chairperson's review.
3. Credit for laboratory is not automatically granted; however, the student may present lab book/syllabus to the department chair for review and possible credit.
4. The University of Scranton does not accept this course/test.
5. No credit can be given to Biology, Biomathematics, Physiology or Neuroscience majors, or students who will eventually apply for admission to the Doctor of Physical Therapy program. Students interested in Pre-Health Professions should consult with their advisor.
6. The department chair will need to review the test/course documentation to determine the appropriate course assignment.
7. Test score too low for University of Scranton credit.
