

### ABOUT THE MAJOR

---

Economics explores how societies allocate scarce resources to produce and distribute valuable commodities. Our program provides a strong foundation in economics, international business, and finance, offering an integrated curriculum highly valued by employers. Graduates pursue careers in banking, consulting, government, and research, leveraging their analytical and problem-solving skills.

### OUTCOMES & OPPORTUNITIES

---

- Internships at organizations like AXA Equitable, the Federal Reserve Board, and Morgan Stanley provide students with experience and connections. Membership in Omicron Delta Epsilon, the international economics honor society, offers career insights and networking opportunities.
- Graduates pursue careers in finance, banking, government, industry, IT, and law, with alumni employed at AXA Financial, FactSet, Goldman Sachs, and Prudential Asset Management.
- Graduates gain admission to top universities nationwide, including Northwestern, Penn Law School, and George Washington.
