

THE UNIVERSITY OF SCRANTON  
PANUSKA COLLEGE OF PROFESSIONAL STUDIES  
HEALTH ADMINISTRATION

## About the Program

Health administration integrates courses from the health and business administration programs and is designed to develop the skills needed for management positions in a variety of fields. The curriculum is interdisciplinary, emphasizes knowledge of global health care issues and includes a minor in business administration.

## Outcomes & Opportunities

- The major emphasizes experiential learning by requiring a three credit, 120-hour internship, with a second three-credit elective internship, as well as 10 hours of community service each semester.
- Students are given a broad base of knowledge for securing entry-level positions with public and private agencies, organizations such as hospitals, insurance and managed care companies, pharmaceutical firms, community health and rehabilitation facilities.
- The curriculum also provides a theoretical foundation for future graduate-level education in various disciplines such as public health, health administration, health policy and planning, gerontology, law school and business administration..
- An accelerated Master of Health Administration (MHA) degree program is available to University of Scranton undergraduate health administration students who meet specific admissions criteria.
