CAS COMMON CURRICULUM

COLLEGE OF ARTS & SCIENCES

ABOUT THE MAJOR

The College of Arts & Sciences (CAS) common curriculum helps students build a strong foundation for any major, ensuring they gain essential skills while exploring different areas of interest.

Designed to ease the process of choosing a major and keep students on track, the curriculum is designed to help students graduate in four years with a well-rounded education.

OUTCOMES & OPPORTUNITIES

- No matter your major, Jesuit values — including care for the individual, excellence, social justice, and contemplation in action — are woven into every program, ensuring a meaningful education.
- Many CAS graduates continue their pursuits in graduate school, while others launch careers in research, government, industry, education, business, nonprofits, and healthcare.
- Some students earn Fulbright Fellowships abroad, while others join Peace Corps, AmeriCorps, or service organizations, using their skills to give back and explore new cultures.

30-33 Credits

LEARN MORE!

CAS Common Curriculum First Year

Undecided students who are interested in exploring one or more of the majors offered in the College of Arts and Sciences may enroll in the CAS Common Curriculum program. Students in this program take a combination of General Education courses and courses in potential majors. Specific courses are chosen in consultation with an academic advisor. In addition, CAS Common Curriculum students are invited to participate in a non-credit bearing "Undecided Workshop."
