Dear Friends,

Thank you for joining us for Open House at The University of Scranton! As you will see from our program, students, professors and staff from across the University are here today to assist you in your search for the best University.

As a Catholic and Jesuit institution, The University of Scranton offers individualized, purposeful paths to success, and we have the results to prove it. For example, the Class of 2021 reported an overall success rate of 99% within one year of graduation. This year, we welcomed one of the largest and most diverse classes in our history. Members of the Class of 2026 joined us from 14 states and five countries, including Ukraine.

At Scranton, we think earning a college degree is a transformative experience, one that will expand your view of the world and prepare you well for what lies ahead. Our Jesuit education helps shape not only what you will become in your career, but more importantly, who you will become. We accompany you on this journey by getting to know you as an individual, first understanding and then helping you achieve your goals and dreams.

We celebrate each person’s unique contributions, and pride ourselves on being a welcoming and inclusive place that embraces diversity. Talk to anyone with a Scranton connection, and they will tell you that a commitment to community is a shared value that defines us.

I am proud to say that the nation has taken notice. U.S. News & World Report ranked Scranton No. 5 among the “Best Regional Universities in the North” in the 2023 edition of the “Best Colleges” guidebook, marking 29 consecutive years of top 10 recognition. Their praise was echoed by The Princeton Review, Forbes and a host of others.

There’s a wonderful excitement in finding your purpose and discovering your true potential. You have plenty of time to consider those questions throughout the coming months. For today, please walk the Commons, introduce yourself to members of our community, and make yourself at home.

Thank you for sharing your day with us.

Yours Faithfully,

Rev. Joseph G. Marina, S.J.
President
