

THE UNIVERSITY *of* SCRANTON  
A Catholic & Jesuit University

# *OPEN HOUSE*

**FALL 2024**

## A MESSAGE from the President

Dear Friends,

Thank you for spending your day with us at Open House and for taking the time to experience our vibrant University community and explore our beautiful campus.

As a Catholic and Jesuit institution, we are committed to getting to know you as individuals and helping you to achieve your goals and dreams. And in that spirit, everyone you meet today — professors, students and staff — is here to support you in your college search and to help answer your questions.

We take great pride in our repeated selection as a “Best Value” school in *U.S. News & World Report’s* “Best Colleges” guidebook, a ranking that compares the academic quality of programs to the cost of attendance. This recognition, echoed by *Forbes* and *Money*, reflects our commitment to ensuring that your investment in education yields lasting value. Consider that 99 percent of the Scranton Class of 2023 succeeded in their chosen career paths within one year of graduating.

We are here to support you. When our students discover their true potential and purpose, we view it as one of our greatest accomplishments. We strive to provide an environment where students can thrive personally and academically. We are also committed to ensuring that our exceptional education remains affordable, which is why 99 percent of first-year students at Scranton receive scholarships and grants.

Your time at the University will be nothing less than transformative, broadening your perspective of the world and the depth of your values. Recently, we welcomed the members of the Class of 2028, who joined our community from across the United States and the world. We recognize everyone’s contributions and pride ourselves on being a campus that respects and embraces diversity.

During today’s adventure, I hope to see you at the Byron Complex, in the dining hall, on the Commons and wearing your Scranton colors! Please feel at home here and know that you will always be welcome.

We are truly grateful for your interest in The University of Scranton and look forward to welcoming you into our community. Go, Royals!

Yours Faithfully,

Joseph G. Marina, S.J.  
President
